STATEMENT OF QUALIFICATIONS

I. Education & Knowledge

- Completion of a Master's Degree in Counselling, Psychotherapy or Social Work (M.S.W.) or equivalent.

II. Experience

- Five years of direct counselling/psychotherapy experience (preferred) working with individuals, couples, and families with diverse mental health challenges. Candidates with experience of less than five years will be considered for this and for future postings.

III. Knowledge

- Demonstrated knowledge and application of a range of counselling/psychotherapy modalities (with specific focus and competency on short-term counselling/psychotherapy modalities); of a biopsychosocial model, including the impact of social determinants of health and an understanding of culture, history, and current oppressions experienced by people related to moderate mental health challenges and/or relational challenges to a broad range of counselling/psychotherapy issues (generalist);
- Demonstrated knowledge of risk factors and risk assessment;
- Demonstrated knowledge of resources and services available to clients;
- Demonstrated knowledge of professional standards and ethical guidelines for the college of which the candidate belongs (counsellors, psychotherapists, and/or social workers).

IV. Skills

- Skill in collaboratively identifying short-term goals to assist clients in attaining resolution to concerns within a solution-focused frame-work (3 to 6 counselling/psychotherapy hours);
- Demonstrated communication skills (written and verbal);
- Demonstrated skills in working as a team and within a team approach;
- Demonstrated skills working independently to solve problems and provide counselling/psychotherapy interventions;
- Strong organizational and planning skills;
- Demonstrated skills in working with diverse groups of people;
- Demonstrated assessment, treatment planning, and intervention skills;
- Demonstrated skills in analysis of individuals and systemic issues impacting clients
- Technical and computer skills including MS Word, PowerPoint and Client databases;
- Presentation/group facilitation skills for delivering educational and wellness seminars and critical incident debriefing.

V. Abilities

- Demonstrated ability to work with personal crisis, complex issues, and trauma;
- Demonstrated ability to take initiative;
- Demonstrated ability to work independently within team/program guidelines and best practices;
- Demonstrated ability to work within the short term framework of FSEAP services;
- Demonstrated ability to maintain a respectful, collaborative and professional approach/standards with clients and colleagues.

VI. Languages

- Excellent oral and written communication skills in English and French.

VII. Physical Demands

- Counselling psychotherapy services are provided in an office setting. If group seminars or debriefing services are offered, they are provided in a group setting at a corporate client's work site, outside of the control of the FSEAP program. The position requires a minimal amount of physical activity, such as lifting. The services are primarily provided sitting down, or standing for group/community programming.

VII. Working Conditions

- Evening and weekend work may be required
- Counselling psychotherapy services are provided in private confidential office space. Limited travel may be required relevant to the location of the services provided.

IX. Certification/Licensing/Specialized Training

- N/A

ADDITIONAL QUALIFICATIONS

- Fluency in other languages is an asset

POSTING PERIOD
