

WOMEN'S FINANCIAL EMPOWERMENT PROGRAM - FREE WORKSHOP SERIES

The Women's Financial Empowerment Program is a collaboration with Family Services Ottawa and Resolve Counselling Services Canada. Our goal is to support financial empowerment for women who have experienced gender-based violence in our community. In addition to our one-on-one financial and credit counselling sessions we are also running a series of workshops to support financial empowerment and education.

Below are some of our upcoming workshop topics and dates. All workshops are FREE to attend and take place over a secure video platform. More information and registration is available online:
