WHY PARTICIPATE

Strut your music trivia stuff and build stronger families.

Music on a Mission is Ottawa's most entertaining corporate fundraiser, a high-energy music trivia showdown where teams of 10 go head-to-head naming artists, songs, and iconic theme songs across every genre.

The Game

Come dressed as your favourite singer, band, or song and bring your A-game. Compete to name artists, songs, and iconic theme songs across every genre. Round out the evening with networking, food, drinks, a live and silent auction, and 50/50 raffle.

The Mission

Over 25 years, Music on a Mission has raised more than \$1,000,000 for Ottawa families. Every dollar supports Family Services Ottawa's critical programs, including counselling, family violence supports, mental health, and parenting services. At Family Services Ottawa, we help individuals and families overcome the challenges that threaten their wellbeing.

When families have access to compassionate and skillful support to address the mental health, family conflict or violence, and parenting challenges that undermine their wellbeing, we all win. Because strong families build strong communities.

We are a community-based non-profit organization, grounded in a 100+ year history of effectively responding to the needs of families in our city. We help thousands of adults, children, youth, and families every year through counselling, workshops, and educational programs, with consistently excellent outcomes.
