MUSIC ON A MISSION

**A Music Trivia Fundraising Event
in Support of Family Services à la Famille Ottawa
Friday November 20, 2026**

2026 Sponsorship Package

A fun, entertaining night of music trivia, friendly competition, and team building.

Music on a Mission brings together Ottawa's most fun and community-minded companies for a high-energy music trivia showdown. It's an unforgettable night on the town, with a big impact for Ottawa families.

The Music

One clue. Ten song clips. Can you name them all? Come dressed as your favourite singer, or band and bring your A-game. Compete with your team to name the artist, song, and sometimes even....mellotron?! Round out the evening with networking, pizza, drinks, a silent auction, the occasional dance-off, and all the good feelings that come from fundraising for an incredibly worthy cause.

The Mission

FSO has strengthened individuals and families, and by extension, the Ottawa community for more than a century. Our history shows a pattern of recognizing the root causes of family breakdown - war, poverty, violence, mental illness - and responding with innovation and care. FSO's services respond to some of the most complex and high-risk needs in the community, including family violence, mental health, and parenting challenges. When families get the help they need, the whole community grows stronger. Over the last 25 years, Music on a Mission has raised over \$1,000,000 to support critical support services for Ottawa families.

When families grow stronger. So does our community.

At Family Services Ottawa, we help individuals and families overcome the challenges that threaten their wellbeing.

When families have access to compassionate and skillful support to address the mental health, family conflict or violence, and parenting challenges that undermine their wellbeing, we all win. Because strong families build strong communities.

We are a community-based non-profit organization, grounded in a 100+ year history of effectively responding to the needs of families in our city. We help thousands of adults, children, youth, and families every year through counselling, workshops, and educational programs, with consistently excellent outcomes.

“You made a family whole again today. Thank you from the bottom of my heart.”
